Art Unit: 1711

1. Claims 46, 48, and 63 are rejected under 35 U.S.C. 112, first paragraph, as containing subject matter which was not described in the specification in such a way as to reasonably convey to one skilled in the relevant art that the inventor(s), at the time the application was filed, had possession of the claimed invention. Applicants have failed to provide support for specifying that the molecular weights are number average molecular weights. Furthermore, applicants have failed to indicate where support exists for the excluding the maleic acid diester and fumaric acid diester species from the claims.
